be accompanied by a treasury chellan for Rs. 495 credited into the Treasury under "S" Remittances P.W.D. as earnest money. The earnest money of the successful contractor will be retained as security deposit for the fulfilment of the contract.

The work must be completed by the end of the official year 1952–53, and the intending contractor will quote rates should obtain details as to the terms of the tender and get from the Division Office Chitaldrug and copies of contract schedule and quantities may be seen at any time on all working days between 11 A.M. and 5 P.M.

Specific rates should be given for each item in the schedule accompanying the tender and the rates should be both in figures and words. Tender offering percentage excess or reduction on the estimate amount will be rejected.

The rates quoted with condition subject to fluctuation," will not be accepted. The agreement should be executed before starting the work after issue of the order. The final acceptance of the tender will rest with the Superintending Engineer or the Chief Engineer (as the case may be) who does not bind himself to accept the lowest or any tender and assign any reason whatsoever for the rejection of any.

3391

Notification dated 7—9th August 1952.

Sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 4 P.M. on 12th September 1952, for the following work:—

Taluk	Name of work	Amount of estimate.	Earnest money
Molakalmuru	Balance works for the construction of new building for Middle School at Rampur, Molakalmuru Taluk.	Rs. 13,325	Rs. 665

Tenders in the prescribed form obtainable from the office of the Executive Engineer, Chitaldrug, should be addressed to the Executive Engineer, Chitaldrug Division, in a sealed cover and superscribed as "Tender for Balance Works for the construction of new building for Middle School at Rampur, Molakalmuru Taluk." The name of the tenderer should also be noted on the top of the cover.

Each tender must be accompanied by a treasury chellan for having deposited the required amount as noted against the work as earnest money under "S. Remittances to P.W.D.". No cheques will be accepted for earnest money. Requisition for adjustments of any dues from the Government to the contractor for earnest money will not be entertained.

The final acceptance of the tender will rest with the Executive Engineer, Superintending Engineer, or Chief Engineer, as the case may be, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

The successful tenderer should execute a contract agreement within a fortnight from the date of communication of approval to him.

The earnest money of the rejected tenderers will be refunded on application only after any of the tender is received approved or two months after the receipt of tenders, if the tender of the successful contractor has not been received approved. Copies of estimates and plans can be seen in the Office of the Executive Engineer, Chitaldrug Division, on all working days between 11 A.M. and 5 P.M.

Specific rates should be quoted both in figures and in words for each individual items of works. Tenders offering percentage reduction or increase will be rejected.

For all lumpsum items, only the minimum schedule of rates or data *plus* 10 per cent will be given if the rates do not appear in the schedule of rates.

All over writings and corrections while submitting the tenders should be attested by the tenderer.

The quantities given in the estimate are only approximate, and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions and additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

The contract should not be sublet.

The contractor should make his own arrangements for transportation of materials.

Only Chamundi Brand cement must be used for the construction. The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risk of accident and if necessary provide for the same, by insurance at the proper time.

The contractor should arrange for the payment of royalty, tolls and sales-tax, etc.
